Sports Insurance for 2016-2017 School year (Purchased by District)

The District has purchased insurance to cover most medical expenses from injury due to interscholastic sports including football, band, cheerleading, intramurals, gym classes, special activities and school time field trips for all Tredyffrin/Easttown schools.

Benefits are provided for accidental injuries for which medical treatment by a physician, surgeon, dentist, or registered nurse, hospital services, ground ambulance services, or x-rays are rendered. The initial treatment must be rendered within 90 days of the date of accident, and benefits are limited to \$25,000 for medically necessary treatment, which must be received within two years of the date of injury. If the \$25,000 benefit is reached within two years, there is a separate catastrophic policy which extends the benefit to ten years and a maximum of \$5,000,000.
