Issue 9: January 2017

Senior Internship Program

Members of the Conestoga Class of 2017 attended Orientation sessions this week for the Senior Internship Program. The Senior Internship Program offers seniors in good standing an opportunity to explore an area of career interest during the last month before graduation. The dates for this year's program are May 8th through June 2nd.

Senior parents should have received program information in the mail. All information and materials for the Senior Internship Program can be accessed on the Conestoga website at <http://www.tesd.net/domain/1407>.

Important Information for 17 Year-Old Seniors

In July of 2016, the PA State Legislature amended the Child Protective Services Law to include employees who work with children through internships, externships and work-study programs. This means that Community Sponsors of 17 year-old students must complete the PA Criminal, PA Child Abuse and FBI background checks prior to the start of internship.

More information can be found by [clicking on the Senior Internship quick link](#) on the Conestoga home page.

Questions may be directed to Jeanne Braun, Program Coordinator at 610-240-1913 or braunj@tesd.net.

Any Conestoga parents interested in participating as an internship Community Sponsor should also contact Jeanne Braun.

Presidential Inauguration

In keeping with the past practice of airing the historically significant event of inaugurating a new President of the United States, all T/E students will have the opportunity to view this month's presidential

inauguration ceremony and inaugural address. Conestoga students will view the recorded C-SPAN broadcast on January 20, 2017 during their 8th period classes. Please contact Conestoga High School administration should you have any questions.

Extended Experience Fall 2016

[Verification forms](#) are now posted on the TESD website for students participating in Semester I Extended Experience PE. These forms will verify that the student's required 30 hours of activity have been completed. **The signed forms are due in Conestoga's main office on or before January 9, 2017.** A student will not be given credit if the verification form is not submitted on time. Seniors will be put in a PE class to satisfy CHS PE graduation requirements if a signed form is not received.

Midterm Exam Schedule

Midterm Exams will take place January 25, 26 and 27, 2017.

The exam schedule is as follows:

If a parent indicates that a student may be unable to take an exam on the published date, please note that requests for alternate testing must be made in writing to Dr. Meisinger. Assuming that approval for alternate testing is given, the examination or an alternate exam will be administered to the student at a later date. No examination will be administered prior to the scheduled exam days.

Second Semester Schedules

Students received a copy of their second semester schedule in homeroom on Friday, December 9. They were permitted to make

level changes and second semester elective changes through Friday, December 23, 2016. No schedule changes will be permitted from January 3-24 while we prepare for midterms. Second semester schedule changes will resume on the midterm days (1/25, 1/26, 1/27) and the first two days of the third marking period (1/30, 1/31). No elective change requests will be honored after January 31, 2017.

Sign Up to Receive Emergency Text Alerts Today

The T/E School District now offers the option for parents to receive a text message alert when there is an emergency announcement from TE All-Call, the District's mass communication system. All parent/guardian mobile numbers in the TE All-Call system received a text invitation on November 17, 2016 with instructions on how to opt-in to receive text messages. If you missed the text invitation, or have added a new mobile number or changed an existing mobile number, **you can still sign up to receive emergency text alerts by texting Y to 67587.** Please note that your mobile number must already be on file in the TE All-Call system in order for you to begin receiving emergency text alerts. To add a new mobile number or change an existing number, please contact your child's school. For more information, including frequently asked questions, visit www.tesd.net/teallcall.

Attention All Seniors

Changes to the 2017-2018 FAFSA

New as of this fall 2016:

- Students were able to file for aid beginning October 1 (a full three months earlier than previously allowed).

- For the first time, applicants will use prior-prior year (PPY) tax information when reporting personal and family income.

Previously, the FAFSA used the previous year's tax data. Beginning in October 2016 (for aid applications for the 2017-18 award year), the White House will allow students to file the Free Application for Federal Student Aid (FAFSA) using prior-prior year (PPY) tax data.

*Prior-Prior Year (PPY) refers to a policy enabling students and families to file for the Free Application for Federal Student Aid (FAFSA) using tax information from two years ago. For example, a high school senior planning to enroll in college in Fall 2017 will file FAFSA using taxes from 2015. PPY debuts in October 2016 for aid application for the 2017-18 award year. This means that the high school class of 2017 will be the first high school cohort to use the PPY FAFSA, and all returning college students in that same year will also use it. *
