

Attention all Parents!

Donate used books for grades K through 12 all year long!

For the John Welsh School - A Philadelphia school in great need of supplements to their library!

Drop off book donations at the lobby of Valley Forge Middle School

We are pleased to continue the John Welsh Book Donation program at Valley Forge Middle School. The John Welsh Book Donation program gives you an opportunity to give used books to a needy elementary/middle school in Philadelphia in order to enhance their library facilities. Donated books can be for any age from elementary through 8th grade.

There is a box in the lobby right outside of the library for you to put your donation. This is a great way to recycle books that your kids have out grown. The John Welsh School is very grateful for our generosity. So... it is time to clean out those book shelves and bring the books you no longer need to school. The box will be in the lobby for collection through out the school year. It is never too late to give the gift of reading to those who are less fortunate.

Thank you in advance for your support of our charitable donation to the John Welsh School.
