Academic Eligibility for Athletes

The Tredyffrin/Easttown School District encourages students to participate in PIAA sports, however, they are students first and our emphasis is on academic learning. The T/E School District fully endorses the Pennsylvania Interscholastic Athletic Association (PIAA) and its rules and regulations. The following is an excerpt from the PIAA bylaws, Article IX- Curriculum:

To be eligible for interscholastic athletic competition, a pupil must pursue a curriculum defined and approved by the principal as a full-time curriculum. The student must be passing at least four full credit subjects, or the equivalent. Eligibility shall be cumulative from the beginning of a grading period, shall be reported on a weekly basis, and shall be filed in the principal's office. In cases where a student's cumulative work does not as of any Friday meet the standards provided for in this section, he/she shall be ineligible from the immediately following Sunday through the Saturday immediately following the next Friday as of which his/her cumulative work from the beginning of the grading period meets the standards provided for in this section. Where school is closed on a Friday for any reason, the principal may, at his election, determine whether the student as of that day meets the standards provided for in this section.
