Conestoga High School Senior Parking Application Information 2018-2019 4 Days per Week Parking

Seniors will have the privilege to park on campus four (4) days per week. The one remaining day will be a "Do Not Drive" day which is potentially selected by the student. On this day, the student will not be permitted to park on campus. Students who have selected to enroll in a program through the Chester County Intermediate Unit must have parking permits that allow them to park on campus each day. This is a requirement of the program and acceptance into them. All students must complete a Senior Parking Application Form and provide proof of their enrollment by producing their 2018-2019 schedule with the Senior Parking Application.

Student parking at Conestoga High School is limited to **Seniors Only**. Understanding the following guidelines is an essential responsibility of each Senior applying for a parking permit.

- Students with outstanding Evening Supervised Study Halls-School Detentions and/or Saturday Detentions are not eligible for parking privileges until they have satisfied their disciplinary requirements.
- Once issued, parking permits are conditional upon appropriate behavior. Permit-holding seniors who park illegally, violate school rules or conduct themselves in an unsafe manner will have their parking privilege revoked.
- Parking permits are NOT transferable between cars and/or students.
- Students are required to register the vehicle they intend to drive to school.
- Students are prohibited from parking on the "Do Not Drive" Day indicated on their permit. Violations of this policy will result in discipline.
