Student Parent Authorization for Student Privileges-Information
2021 - 2022

Conestoga High School administration and faculty believe students benefit from increased opportunity for self-direction as they mature. Consistent with this belief, our students' eligibility for privileges increases as they progress through their high school years. Privileges are granted only with permission of the parent or guardian. The student must have the ID card in his/her possession or access to their virtual ID card to exercise privileges. Students will scan their ID card or their virtual ID card when using their privileges to leave or enter school. Privileges may be rescinded at any time by the parent/guardian or by the school authorities if the student experiences academic difficulty or for failure to follow the school rules. All privileges may be suspended by the administration for safety/security reasons. The following privilege options are available to eligible students:

- **Delayed Arrival:** *Seniors and Juniors* who have unassigned time during first period have the option of late arrival in time for homeroom. Homeroom attendance is required of all students. Students are required to enter the building through the **Main Lobby no earlier than five (5) minutes prior to the start of the next period.** Students will be required to scan their virtual or traditional privilege cards when entering the building.
- **Early Dismissal:** *Seniors and Juniors* who have unassigned time during eighth period have the option of early dismissal. *Seniors* who have unassigned time during eighth, seventh and eighth, or sixth, seventh and eighth period have the option of early dismissal. Students are required to leave the building through the **Main Lobby.** Students will be required to scan their virtual or traditional privilege cards when leaving the building.
- **Lunch Privilege:** *Seniors* have the privilege of leaving campus for lunch during their assigned lunch period (5th period or D Lunch). *Juniors, Sophomores and Freshmen* will have the privilege to leave for lunch at this time due to expanded COVID protocols. This privilege may be suspended for all students during times of inclement weather. Students are required to leave and return through the **Main Lobby and return no earlier than five (5) minutes prior to the start of the next period or for their assigned class.** Students must scan their virtual or traditional privilege card when leaving and rescan their virtual or traditional privilege card when returning. Students returning late from Senior Lunch Privileges will forfeit their privileges for a minimum of five days for the first offense, in addition to receiving other disciplinary consequences for any missed class time. With parent permission, seniors who do not have scheduled classes after the lunch period are not required to return to campus.
