

*Electronic Communication Devices: Use by Employees*

Definition:

“Electronic Communication Devices” is defined in the accompanying regulation.

Authority / Guidelines:

District employees may possess electronic communication devices, as defined in the accompanying regulation, within all of the buildings owned by the District, on school grounds, in school vehicles and/or while participating in or supervising school-sponsored activities on or off school premises. The administration shall have the right to regulate the use of all electronic communication devices in addition to the following restrictions:

1. When appropriate, electronic communication devices must be turned off or set in silent mode.
2. Electronic communication devices must not be used to conduct any activities which violate state and/or federal law, Board policy or school rules.
3. Electronic communication devices must not be used in any manner which interferes with, or is disruptive to, educational or extracurricular activities or events.
4. Except when and where specifically authorized by their supervisor, use of electronic communication devices with video/camera capabilities is strictly prohibited from restrooms, locker rooms and in other areas where individuals would have a similar expectation of privacy.
5. District employees are discouraged from holding and using a cell phone or other electronic communication device while operating a motor vehicle on school business while it is in motion.
6. District employees are prohibited from holding and using a cell phone or other electronic communication device while using power machinery on District property.

Notwithstanding the rules set forth in the regulation for this policy, electronic communication devices may be used at any time to respond to or report an emergency situation.

Employees found in violation of this policy may be asked to relinquish their electronic communication devices. Employees are also subject to discipline in accordance with District procedures.

Additional Restrictions for Bus Drivers

The Director of Transportation shall establish and publish procedures for use of electronic communication devices by transportation employees and contractors.

Contracts with transportation employees and/or providers must require adherence to the District's policies and procedures for use of electronic communication devices.

School bus drivers and any other employees or contractors transporting District students may not use handheld electronic communication devices at any time while operating a school bus or other vehicle while the bus or other vehicle is in motion.
