

Contracted Services

The Board shall approve the fees for, and providers of, contracted services on an annual basis in conjunction with the budget development process.

The Superintendent is authorized to approve other contracted services on an interim basis. The Superintendent shall present a recommendation for formal authorization at the next regularly scheduled meeting of the Board.

Providers of contracted services who come into contact with students shall provide child abuse background checks and other credentials as required by state or federal law.

All contracts with providers of contracted services must contain a provision requiring the providers of those contracted services to notify the Superintendent any time that any of its employees or agents who are performing work on behalf of the District are either arrested or charged with a criminal offense.

All contracts with providers of bus services or other services that transport District students, employees, or property, must contain a provision requiring the providers of those contracted services to notify the Superintendent any time that any of its employees or agents who are performing work on behalf of the District have had their driver's license suspended or permanently revoked.
