

*Awarding of Diplomas to Eligible Veterans*

Pursuant to Pennsylvania law, which authorizes local school districts to establish programs for awarding high school diplomas to eligible veterans, the District hereby establishes such a program to award diplomas to eligible veterans. This program shall extend to veterans to the extent authorized by state law as presently enacted and as amended in the future.

The Administrative Regulation related to this Policy prescribes the procedures for identifying veterans eligible to obtain a high school diploma and for the awarding of the high school diploma. The Policy also provides for the application process for said diploma and specifies the credentials required to receive the high school diploma.
