

Medical Examinations

An employee who does not have pre-employment medical examination completed prior to the start date of employment must complete the attached form as a prerequisite to beginning employment.

ACKNOWLEDGMENT OF MEDICAL EXAMINATION REQUIREMENT

I understand and acknowledge that, as part of the District's employment procedures, I am required to undergo a post-offer, pre-employment medical examination by a qualified physician, certified nurse practitioner, or physician's assistant. I understand and acknowledge that my employment by the District is contingent upon, among other things, satisfactory completion of this examination and a determination by the District that I am capable of performing the essential functions of the position that has been offered, with or without a reasonable accommodation. I understand and acknowledge that I am required to have this medical examination performed at no cost to the District.

I also understand and acknowledge that if I do not have this pre-employment medical examination completed prior to the start date of my employment, I must have the pre-employment medical examination completed within thirty calendar (30) days of my start date or be subject to immediate dismissal. Furthermore, I understand and acknowledge that my continued employment is contingent upon satisfactory completion of this examination and a determination by the District that I am capable of performing the essential functions of the position for which I was hired, with or without a reasonable accommodation.
