

*Assistant Principals: Middle School and High School*

In order to permit the needed time for principals to supervise the instructional program in their schools, the Board shall appoint assistant principals to perform duties, as assigned by the building principal.

In the absence of the building principal, the assistant principal designated by the building principal shall be responsible for the operation of the school.

Assistant principals are designated as first-level supervisors in accordance with Article III, Section 19 of Act 195, Public Employee Relations Act.
