

*Orientation Program for Students*

Under the direction of the Superintendent and the administrative staff, the District shall conduct an orientation program for all students who enter Tredyffrin/Easttown schools and those who are promoted from one level to another within the District (elementary school to middle school to high school). The purpose of this orientation program shall be to familiarize students with the school building and the educational and cocurricular programs.

Adopted: September 11, 1972 (as part of Policy 5111-Ages of Admission)
