

Homebound Instruction

A program of homebound instruction, as approved by the Pennsylvania Department of Education, shall be made available to students who are incapacitated and cannot attend school for extended periods of time. Individual requests for such instruction shall be directed to the Superintendent for determination. The Board shall be kept informed of all approvals made for homebound instruction.

Any student receiving homebound instruction shall be carried on the attendance records of the school to which the student is assigned.

Delegation of Authority

The Superintendent or Superintendent's designee shall be responsible for developing procedures to implement this Policy.
