

Teacher Exchange with Other Countries

It is the practice of the District to cooperate with authorized teacher exchange programs such as those approved by the Pennsylvania Department of Education.

District teachers desiring this experience are responsible for all application procedures and shall request the Superintendent's approval no later than May 15, the school year prior to the requested exchange.

Incoming teachers shall meet the customary requirements for employment in the District, pursuant to state and federal certification and visa requirements.

Policy adopted: April 1979
Rescinded: January 1994
Regulation adopted: February 26, 1996
Revised: June 22, 2006
