Happy Hour: Let's start with the 60s!

The CHS Alumni Association is looking forward to kick-starting informal local get-togethers of CHS graduates by decade (yes, decade— think frame of reference). We have elected to start with the “60s because we know who many of the class contacts are due to recent and upcoming 50th reunions.

Although we expect to focus on specific decades, any CHS grad who wishes to throw themselves into the mix as we go forward is welcome. **For the first shot, we are thinking McKenzie's in Malvern at a TBD date in June. So stay tuned CHS Classes of '60-'69** and we'll see how it goes.

We need class contacts for the classes of 1960,61,68, and 69. and CHS Classes up to 2016, send us your class contact information!

“The Mystery of Edwin Drood” a Hit!

Review by Sally Brenner Hammerman, class of 1962.

We saw the final performance of “The Mystery of Edwin Drood” at CHS. The play was adapted from Charles Dickens' unfinished final novel, and presented as a musical. It was a BROADWAY CALIBER PERFORMANCE !!! Totally amazing and really well done. The stage craft (outstanding backdrops, side-box stages and props), the costumes (glorious), the singing (absolutely top notch), the dancing (joyous), the lyrical moves of the actors/singers - all made the audience feel like we were at a professional theater performance - and it was! I suspect that some of the CHS performers are destined for prestigious performing arts schools and/or going directly into the performing arts big time. As “seniors” we got in for a reduced fee and we are really looking forward to attending next year's production! We went to a classy school, folks!
