

New Family Meetings

The Welcoming Committee is holding New Family Meetings for Conestoga High School parents whose families who are new to the school district (those who have recently moved here, transferred from a private school, etc.).

People can join us for any portion of the time to connect with other newcomers and learn more about the school and the community. There is no official agenda or topic of the month; it's an informal way for us to get to know each other and to answer whatever questions you have.

If you're not new to the district but you want to help welcome new families, feel free to join us as well!

COVID-19 Update:

Prior to COVID-19, we met at a local Panera on the first Friday of each month. Due to social distancing, we started meeting virtually via Zoom.

We're not sure yet what our meeting format will look like during the 2020-21 school year, but if you return your [New Family Form](#) we will notify you of all meeting dates and provide you with login information for virtual meetings.

We plan to meet at least once a month (and possibly more often).
We're looking forward to meeting you!

If you need more information or want to help welcome new families, contact Jen Marsala at jenmarsala@verizon.net.

If your family is new to the district, we would love to match you with a welcoming committee member, but we need your permission to do so. Multilingual speakers are also available in many languages to reach out to families whose native language is not English. To fill out the [New Family Form](#), visit www.tesd.net/stoga, select the Parents link, select New Family Welcoming Committee, and look for the link to the New Family Form.
