

New Family Coffees

The Welcoming Committee is holding New Family Coffees for **Conestoga High School parents whose families who are new to the school district** (those who have recently moved here, transferred from a private school, etc.).

People can come for any portion of the time to connect with other newcomers and learn more about the school and the community. There is no official agenda or topic of the month; it's an informal way for us to get to know each other and to answer whatever questions you have.

If you're not new to the district but you want to help welcome new families, feel free to come out and join us as well!
