schedule

Introduction

9:00 - 9:15 Welcome

Elementary STEM Program

9:15 am - 10:30 am | Presenters: STEM Teachers

The STEM teachers will share the work they have done to build this new program and engage us in a hands-on activity. Your feedback about the program will help guide our continuing work.

Full Day Kindergarten Development

10:45 am - 11:15 am | Presenter: Dr. Wendy Towle

The Committee will receive an update on the progress we've made in beginning the development of our Full Day Kindergarten. Again, your feedback will help to inform our work.

Other News

11:15am - 11:30am

We will provide brief updates on a few of the other District initiatives.
