

2020 COMMENCEMENT SURVEY RESULTS

Conestoga administered a survey separately to parents and students to gauge preferences for our 2020 Commencement. The goal of the survey was to determine the following:

- The preferred date for a postponed, traditional Commencement to be held on Teamer Field during the summer
- Preference for format of Commencement in the event we are unable to hold a traditional Commencement due to restrictions from COVID-19

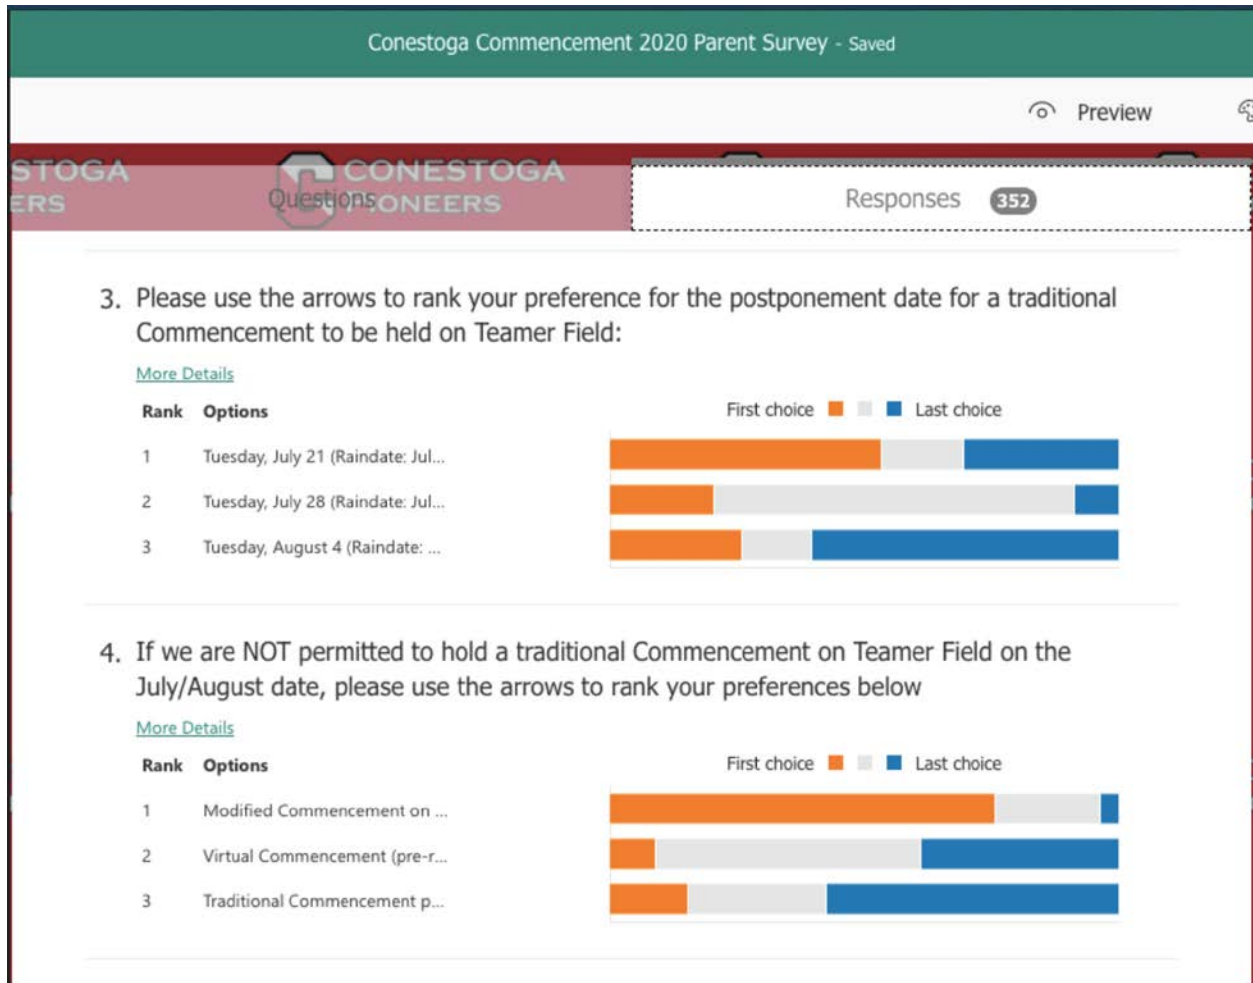

Below are the results, in rank order, for each survey. Please note:

ORANGE BAR = First preference

GRAY BAR = Second preference
