

TESD Winter Learning Selection

TESD families will have the opportunity to switch their current learning selection between October 28 and November 6. Any new selections will be effective December 1 through January 22, 2021. Families may choose between the current instructional formats of hybrid instruction (blended in-person and virtual) or all-virtual instruction.

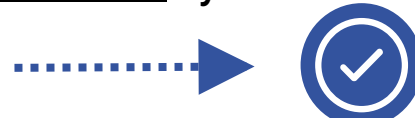

Current Hybrid Learning Students - Remain Hybrid

If your child currently participates in hybrid learning and you would like to continue with the hybrid learning option through January 22, 2021, there is no need to take any action.

Current Hybrid Learning Students - Switch to Virtual

If your child currently participates in hybrid learning and you would like to switch to the 100% virtual learning option through January 22, 2021, please change your child's learning selection in PowerSchool by November 6.

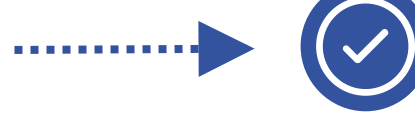

Current 100% Virtual Learning Students - Remain Virtual

If your child currently participates in 100% virtual learning and you would like to continue with the 100% virtual learning option through January 22, 2021, there is no need to take any action.

Current 100% Virtual Learning Students - Switch to Hybrid

If your child currently participates in 100% virtual learning and you would like to switch to the hybrid learning option through January 22, 2021, please change your child's learning selection in PowerSchool by November 6.

FAQs

My child is currently in hybrid learning and we would like to remain in hybrid learning, but I now need bus transportation. Is it possible to start bus transportation on December 1?

Yes. If you need bus transportation and did not select it on the original selection form in August, please select the option for bus transportation in PowerSchool between October 28 and November 6.

Will students in hybrid learning still attend school in-person two days per week?

At this time, students who are participating in hybrid learning will continue attending school for in-person instruction twice a week by alphabetical cohort. In-school capacity and in-school rotation may be adjusted due to changes in pandemic conditions, guidance on social distancing, gathering size limitations, and number of families that opt to participate in hybrid, in-person instruction.

When will students be able to return to in-person instruction five days a week?

The District is following state and local guidance for schools which includes social distancing of six feet wherever possible. In order to adhere to this guidance, schools need to operate at a reduced capacity when students are in the building.

Will the 100% virtual learning option be available through the end of the 2020-2021 school year?

Yes. TESS will continue to provide the 100% virtual learning option through the end of the 2020-2021 school year.

Can I change my selection after November 6?

As with the last learning selection in August, we ask that all winter learning selections be maintained through January 22, 2021. Consideration for changes will be made on an individual, case-by-case basis for pandemic-related reasons.

Will I be able to change my child's learning selection after January 22?

Yes. Families will have additional opportunities to change their learning selections later in the school year.

For more information on TESS reopening, visit the T/E School District website at www.tesd.net/reopening.
