Program Goal

Provide a fully virtual option for families who are not comfortable sending their child to school for in-person instruction during the 21-22 school year

Program Overview

- Full-time K-12 virtual program with the added services that Tredyffrin/Easttown School District has to offer
- Multiple online platforms with over 400 courses (including honors, Advanced Placement and NCAA-approved courses)
- Your child remains a TESD student
- A seat for each student will be held in their grade level within TESD
- Course content and sequence will align with TESD courses to the greatest extent possible
- TESD coordinates support services, including but limited to IEP, GIEP, 504, ELD, Reading/Math Support
- High school courses will count toward TESD graduation requirements but not count toward cumulative GPA
- Tredyffrin/Easttown School District diploma for students who complete graduation requirements

Program Overview (cont'd)

- State standardized testing taken in TESD
- District-provided device for all students
- Coordinated days off with TESD calendar
- Ability to participate in school clubs, events, activities, music groups, athletics
- Continue to receive communications re: TESD school events
- Commitment through at least one marking period

Progress Report

Hello Parent/Guardian!

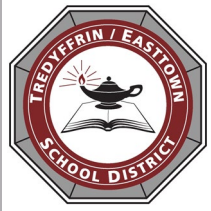

We are happy to share Karen Demo's (Grade 10's) weekly progress report with you.

Your student's total activity minutes for the week were: 0.

In order to stay on track and be considered attending full time, students should spend at least 1 hour (60 minutes) per school day in each assigned course. For example, students with 5 courses should spend 5 hours (or 300 minutes) per day logged in. This would equate to a target goal of 25 hours (or 1,500 minutes) per week. Please note that in the chart below the total number of minutes that your student spent in each course is indicated in the far right column.

If you have any questions, please contact your student's TA or grade level advisor.
