

Hi Juniors!

We are excited to present two wonderful opportunities to you! As you may be aware, we have a college fair every year at Conestoga. Because that is not possible this year, we have alternatives for you (and we must say, in many ways, they are even better than the in-person!). We are going to give you the ability to register for the NACAC (National Association for College Admissions Counseling) and/or PACAC (Pennsylvania Association for College Admission Counseling) virtual college fairs. You do not have to do both unless you want to! NACAC is a country-wide college fair, so you will see schools from everywhere. PACAC is a state fair, so only schools from PA will be included.

NACAC: You can register for 1, 2, or all 3 of the fairs. They are the same, but you can divide and conquer as you wish. The fair dates are on:

October 12

October 18

November 8

You can register on this website: <https://virtualcollegefairs.org/>

PACAC: Virtual presentations for students to explore college opportunities October 1 – November 6

You can register on this website: <https://www.pacac.org/virtual>

Navigating the virtual fairs is easy! With that said, we will be giving you tips and advice as the fair approaches. The first tip... watch this video:
