

## **T&E Care offers school meal assistance program**

Tredyffrin & Easttown Care is a local non-profit that helps families in our community in a variety of ways. Because effective learning is best done on a full stomach, T&E Care supports families in the T/E School District who meet certain income criteria with a school meal assistance program. Families who are approved for free or reduced lunch assistance are not eligible to apply for our program as well. More details on the acceptance criteria can be found on the short application.

If your family could use a little extra help with breakfast and/or lunch assistance and you feel you might fit the criteria explained in the application, please contact your child's counselor for a copy of the application. You can also go to T&E Care's website to download the application (address below). There is no deadline to apply – your child can join this program at any time during the school year. Assuming funds permit, the assistance of \$30/mo/student for elementary students, \$40/mo/student for middle school students, and \$50/mo/student for CHS students will be offered by T&E Care in the 2016/2017 school year.

Any community members interested in helping to fund this important initiative, please go to T&E Care's website ([www.tecare.org](http://www.tecare.org)) for more details on how to get involved.
