

2015-16 Community of Practice Webinar Series

Navigating the Road to Success: Expect, Educate, Empower, Employ

This webinar series, sponsored by the Pennsylvania Community on Transition, in collaboration with the Pennsylvania Training and Technical Assistance Network, will examine current effective practices in Secondary Transition for students with disabilities. The series of seven topics will address and connect several elements of effective transition planning, all of which contribute to students reaching their post-secondary goals.

November 18, 2015 (9:00 am – 11:00 am)

Navigating Financial Considerations for Secondary Transition: SSA and Waivers

There are a number of financial issues that need to be understood and considered as a youth transitions from school to adult life. During this session, information regarding the Social Security Administration and related work incentives offered through SSA will be presented. This session will also address issues related to Medical Home and Community Based Services Waivers.

December 9, 2015 (9:00 am – 11:00 am)

Insurance and Financial Education

Additional financial issues that need to be understood and considered as a youth transitions from school to adult life include insurance and benefits, the PA Medicaid HealthChoices program, and the role the Special Needs Units. Information will also be presented regarding financial education strategies for transitioning age youth and young adults.

January 28, 2016 (9:00 am – 11:00 am)

Overview of the Workforce Innovation and Opportunity Act

The Workforce Innovation and Opportunity Act (WIOA) was signed into law in July of 2014. There were significant changes as a result of WIOA that will be discussed during this webinar. Specific emphasis will focus on Title IV of WIOA that re-authorized the Rehabilitation Act, the governing legislation for the Office of Vocational Rehabilitation (OVR).

March 9, 2016 (9:00 am – 11:00 am)

Overview of Labor Laws and Employment Related Issues

During this webinar, targeted for professionals who are involved with obtaining and providing work experiences for youth and young adults with disabilities, information will be presented on the Fair Labor Standards Act, in particular Section 64c08 and the PA Child Labor laws as they apply to youth with disabilities. Participants will learn how the Federal and PA State laws affect work experiences for youths aged 14-21.

March 23, 2016 (9:00 am – 11:00 am)

Making the Connections with Local Transition Coordinating Councils

There are over fifty Local Transition Coordinating Councils (LTCCs) throughout Pennsylvania that provide trainings, resources, and supports to youth, families, and professionals involved in the secondary transition process. During this session, LTCCs' projects, products, and activities will be shared. This session will also feature strategies to strengthen your LTCC's efforts.

April 13, 2016 (9:00 am – 11:00 am)

Integrated Youth Development and Youth Leadership

Self-determination and self-advocacy are keys to youth and young adults success as they transition from high school to adult life. This session, presented in collaboration with the Pennsylvania Youth Leadership Network (PYLN) and the Lehigh Valley Center for Independent Living (LVCIL), will provide information regarding resources and strategies to enhance active, integrated youth engagement and leadership.

April 27, 2016 (9:00 am – 11:00 am)

Assistive Technology for Youth with Complex Needs

Assistive Technology (AT) is an essential component of success for transition-age students with complex needs. Students who have the opportunity to experience and use a variety of tools in school for such tasks as communication, organization, navigation, and recall are more likely to transition successfully to adult life. This session will provide participants with a fresh perspective on the role of AT in transition as well as provide guiding questions and suggestions for addressing AT during multiple points throughout IEP development.
