

Tredyffrin/Easttown School District

Elementary School Student Network Acceptable Use Agreement

The T/E educational network and resources are used for educational purposes that construct knowledge, advance critical thinking, and encourage communicating and collaborating in a connected world. Access to this network is a privilege, not a right and requires safe and responsible use. The network and its resources should be used for school-related work as directed by your teacher. School computer files are not private and your teacher or principal may see them at any time.

While using the Tredyffrin/Easttown Network,

I will respect the privacy and safety of others and myself. I must:

1. Use only teacher approved network folders and locations.
2. Keep passwords private and secure.
3. Not pretend to be another person or share private information about others or myself online.
4. Have teacher permission to take and share photos, audio, or video of others or myself.

I will respect our T/E educational community. I must:

1. Communicate, search, and work in ways that are polite, safe, and appropriate.
2. Report inappropriate or hurtful materials to a teacher or principal.
3. Access, create, save, and share only appropriate educational materials or games with teacher approval.

I will respect and protect the intellectual property of others. I must:

1. Follow copyright laws by citing sources and giving credit when using information including but not limited to images and video.
2. Create my own product and not copy another's work.

I will respect and protect network and technology resources. I must:

1. Not intentionally damage or destroy equipment that belongs to the school or others.
2. Not intentionally enter, change, or move files, apps, or folders that have not been created by me unless directed by the teacher.
3. Obtain teacher permission for printing.

I have read or have had read to me the T/E School District Elementary School Student Network Acceptable Use Agreement. I agree to follow these guidelines. I understand that if I do not follow these guidelines, I may not be allowed to use the school's computers and network. I will have a consequence for making a bad choice.
