NEWS FROM THE NURSE

Please make sure you are sending water bottles (preferably refillable or disposable) in to school with your children. The #1 reason children get headaches is due to dehydration. With the warmer weather approaching, sending your student in with water can help keep them hydrated.

Keep those 6th grade physicals & 7th grade dental forms coming in.

Jigsaw Puzzles

INCLEMENT WEATHER ALERT!

In order to eliminate confusion for your children when schools are closing early or opening late due to weather conditions we are asking parents to do the following:

Call **610-240-1970 TESD Information Line** for up to date school information. All school closings/delayed openings are recorded as soon as the decision is made. You should also receive a phone call via the “**T/E All Call**” system.

Please call this line BEFORE sending your child to school in case there are last minute changes in school status.

In addition you may get information by listening to the following:
 KYW 1060 AM Radio WCHE 1540 AM Radio
 WKYW (CBS) WTXF (Fox 29)
 WCAU (NBC 10) WPVI (ABC)
 T/E’s closing number is **854**

Please discuss an early dismissal plan with your child **IN ADVANCE** so that everyone knows what to do. With 1170 students in our school, it is **extremely** difficult to personally deliver messages on days like this.

PLEASE HAVE A PLAN & THANK YOU FOR YOUR COOPERATION!
