

**LIFESPORT: Envirothon**

Start Day: October 21st

Day(s): Mondays

Time: 3:15-4:00

Room: 108

Sponsor: Mrs. Leathersich

Envirothon is a Fall–Spring extra-curricular club dedicated to increasing students' interest in Environmental Science. Through participation in this club, students may be invited to compete at the Chester County Envirothon in April where they would practice outdoor hands-on applications of their ecological knowledge while addressing the complex natural resource concerns facing today's world. The club is for 7th and 8th graders. There is no limit to club size, however, due to limitations set by the County, the competition will accept a maximum of 15 students.

**Please sign the attached permission slip form and include your email address for future communications. Have your child return it to Mrs. Leathersich (108).**

*The Tredyffrin/Easttown School District charges an activity participation fee to offset some of the expenses of extra-curricular programs. The established fee is \$50, which covers participation in one or more sports or activities. Any student who participates in one or more of these activities (including Badminton) must pay the \$50 fee. Students participating in the free or reduced price lunch program will not be required to pay this fee. For more information and a list of activities, please see: <http://www.tesd.net/Page/8479>  
The fee may be paid online or by mail. Do not pay this fee at the schools, and do not submit payment to club advisors.*
