Information:

Reading Olympics is county-wide reading program that culminates with a competition at which students will have the opportunity to demonstrate their knowledge of books in a game show setting with other middle schools. This year the competition will take place in March 2020 (date/location TBD).

Note: Parents will be required to provide transportation for their children to this competition.

5th, 6th, 7th and 8th grade students in this club will prepare for the competition by reading nonfiction and fiction books from the Middle School Reading Olympics list. Students are expected to read books from the list independently as well as at club meetings. Students will build communication, comprehension skills and develop responsibility to themselves as well as to their team.

The club will meet on designated Monday afternoons in the fall. The club will meet weekly beginning January 6 through the competition date in mid-March (excluding school holidays).

Please sign the attached permission slip form and give parent contact information. All updates will be sent through the TEMS Reading Olympics Schoology group.

The Tredyffrin/Easttown School District charges an activity participation fee to offset some of the expenses of extra-curricular programs. The established fee is \$50, which covers participation in one or more sports or activities. Any student who participates in one or more of these activities (including Reading Olympics) must pay the \$50 fee. Students participating in the free or reduced price lunch program will not be required to pay this fee. For more information and a list of activities, please see: <http://www.tesd.net/Page/8479>

The fee may be paid online or by mail. Do not pay this fee at the schools, and do not submit payment to club advisors.
