Other Actions Under Consideration

Resolution Opposing Legislation Restricting Appeals of Property Assessments Initiated by Local Taxing Authorities 05-22-17

The Board of School Directors adopted the following resolution after which the resolution will be conveyed to the local State Representatives, Senators, the Office of the Governor and Pennsylvania school districts and local municipal governments.

RESOLUTION IN OPPOSITION TO LEGISLATION WHICH RESTRICTS THE APPEALS OF
PROPERTY ASSESSMENTS INITIATED BY LOCAL TAXING AUTHORITIES
BY THE BOARD OF DIRECTORS OF THE
TREDYFFRIN/EASTTOWN SCHOOL DISTRICT
May 22, 2017
#05-22-17

WHEREAS, school districts across Pennsylvania have experienced declining property tax revenues from assessment appeals; and

WHEREAS, over the past eight years, the total cumulative property tax revenue lost from property assessment appeals by the Tredyffrin/Easttown School District is in excess of \$30 million, representing over 23% of its annual budget; and

WHEREAS, the Tredyffrin/Easttown School District opposes any legislation that would restrict local school district authority to appeal property assessments; and

WHEREAS, legislation that maintains the right of property owners to file assessment appeals while limiting the right of a school district to initiate appeals when properties appear under-assessed would be unfair and inequitable; and

WHEREAS, establishing an assessment loophole (known as “dark store”) for commercial properties creates an unfair interpretation in the assessment of commercial property equating to a potentially significant loss in property tax revenue to Tredyffrin/Easttown School District; and

WHEREAS, the tax burden assumed by under-assessed properties will be unfairly distributed to other residential and commercial property owners; and

WHEREAS, a regularly held assessment in each county would substantially and equitably address fair assessments of commercial and residential real estate values.

NOW, THEREFORE BE IT RESOLVED, that the Tredyffrin/Easttown School District opposes legislation that restricts the appeals of property assessments initiated by local taxing authorities in order to maintain the ability of school districts to support educational programs through a fair assessment system that enables districts to ensure an equitable collection of tax revenues.

BE IT FURTHER RESOLVED, that the Tredyffrin/Easttown School District calls upon the General Assembly to adopt legislation that requires periodic property reassessment by county governments to reduce the need for and expense of all assessment appeals.

Adopted this 22nd day of May, 2017.

 REDUCES THE AMOUNT OF MEDICAID FUNDING TO STATES
 AND SCHOOL DISTRICTS
 BY THE BOARD OF SCHOOL DIRECTORS OF THE TREDYFFRIN/EASTTOWN SCHOOL
 DISTRICT
 JUNE 12, 2017**

#06-12-17

WHEREAS, school districts can currently apply for Medicaid access funding to help pay for expenses to offset costs of necessary services and equipment for students with medical disabilities; and

WHEREAS, the House of Representatives has passed the American Health Care Act (AHCA); and

WHEREAS, the proposed AHCA would dramatically change the financing structure of Medicaid and decrease the amount of money each state receives; and

WHEREAS, under the proposed AHCA school districts would have to compete with hospitals and others for limited funding; and

WHEREAS, the Medicaid reform in the AHCA could undermine critical healthcare services provided to students by school districts and lead to potential new taxes to compensate for the Medicaid shortfall.

NOW THEREFORE BE IT RESOLVED, that, while the Tredyffrin/Easttown School District takes no position on healthcare reform, the District opposes any legislation that significantly changes the funding structure of Medicaid or reduces the amount of Medicaid funds available to schools to provide needed services.

Adopted this 12th day of June, 2017.

Renovations for New Emergency Generator at

D R A F T

Dear Art,

Attached is the bid sheet for the Renovations for New Emergency Generator at the Tredyffrin/Easttown School District Administration Office. The scope of work includes a new pad-set, exterior generator with trenching for new feeds to the Lunch Room, the Copy Room and the two small Electric Service Closets. Also part of the work are two new interior closets to house the automatic switchgear.

The District received three GC bids and five electrical bids. As you are aware, to address modifications to the locations of the transfer switch closets, the extent of trenching and wiring was increased. Due to this, we previously notified you that the bids might be higher than the original estimate of \$395,000. We advised that you may anticipate costs in the range of \$450,000 to \$475,000. The final total was between the original estimate and the revised range.

Budget Estimate Total:	\$ 475,000.
Bid Total:	<u>\$ 407,900.</u>
Difference - Under:	\$ 67,100.

The low bid general contractor is Walter Brucker & Co., Inc. and the low electrical contractor is Greg A. Vietri, Inc. These are two of the four contractors who performed the original renovations to the Administration Building in 2007-08. They have each performed several successful projects for the District.

The District is in the process of reviewing the contractor qualifications and bid documents, we expect this to be completed next week. Let me know if you have any questions.

Sincerely,

Daniel J. Jalboot, AIA
