Consent X, D, 2: Updated 2020 Classroom and Supplemental Textbook List

VIA: Wendy Towle, Director of Curriculum, Instruction, Staff Development and Planning

Action Under Consideration: That the Board of School Directors approves the updated **2020** Classroom and Supplemental Textbook List which is attached to this agenda.

As per policy #6160, each year the Board of School Directors approves new texts for use in our schools for the following school year. Texts are considered classroom texts when quantities of 15 or more are purchased for use in the regular classroom and considered supplemental texts when 6 to 14 copies of a given title are purchased for use in the classroom. Please note that books are not removed from the list because older texts may sometimes be used as supplements. A copy of the District's **2020** Classroom and Supplemental Textbook list has been included for Board Members' review. A review copy is available to the public at the T/E School District Administration Offices at 940 West Valley Road, Wayne, Pa.

Additional texts may be submitted for approval at the September Board meeting for use beginning in the **2020 – 2021** school year.

Action Under Consideration: That the Board of School Directors approves an addendum to the agreement for Pupil Transportation Services between George Krapf, Jr. & Sons, Inc. d/b/a Krapf Bus Companies and the Tredyffrin/Easttown School District in the form attached. This agreement is subject to change with Solicitor approval.

ADDENDUM TO SCHOOL BUS TRANSPORTATION CONTRACT

This Addendum to School Bus Transportation Contract (the “Addendum”) is entered into between **Tredyffrin/Easttown School District** (“District”) and **George Krapf Jr. & Sons**, a school bus transportation contractor doing business in Chester County, Pennsylvania (“Contractor”). In exchange for the mutual consideration identified herein and intending to be legally bound, District and Contractor agree to the following terms modifying their original school bus transportation contract, entered into on or about March 25, 2019 (the “Agreement”).

1. Acknowledgement of Factors. District and Contractor acknowledge and agree that the following factors (among others) have prompted their mutual interest to enter into this Addendum:

a. The original Agreement includes terms under which Contractor is to provide safe and reliable school bus transportation services to District resident students as contemplated by the Pennsylvania Public School Code (the “School Code”) throughout the entire 2019-2020 school year.

b. The Governor of Pennsylvania declared a statewide disaster emergency arising from the COVID-19 pandemic, resulting in a state-mandated closure of all K-12 schools from March 13, 2020 through the end of the 2019-2020 school year.

c. The federal and state legislatures have enacted emergency legislation intended to address various concerns arising out of the COVID-19 pandemic, including measures intended to (i) allow public schools discretion to continue paying school bus transportation contractors to the extent practicable during the COVID-19 school closure, particularly with regard to contractors’ personnel and fixed costs, and (ii) provide certain financial assistance to private businesses, including school bus transportation contractors, to encourage continued employment of their personnel in order to avoid layoffs during the COVID-19 pandemic. Such legislation includes Pennsylvania Senate Bill 751 (now Act 13 of 2020) and the federal CARES Act.

d. In evaluating the extent to which District, in its discretion, is willing to continue certain payments to Contractor during the COVID-19 school closure, District has considered not only its own financial circumstances, but also the need to ensure the availability of safe and reliable school bus transportation services for its students after school reopens and into the future.

2. Original Agreement. The previously executed original Agreement shall remain in full force and effect except to the extent modified as expressly set forth herein.

3. Contractor Financial Information to Remain Confidential. Any financial information disclosed by Contractor to District pursuant to this Addendum shall not be disclosed publicly by the District unless (1) required by law; or (2) in connection with an action before a judicial or administrative body arising out of this Addendum or the underlying Agreement. In the event that the District receives a request or subpoena seeking the disclosure of financial information disclosed by Contractor to District pursuant to this Addendum, the District shall promptly, upon receipt of such request, notify the Contractor of such request or subpoena so that Contractor may take any action it determines necessary.

4. Payments for 2019-2020 School Year. During the period District schools are closed by the Governor or by the District's Board of School Directors as a result of the COVID-19 pandemic, starting March 13, 2020, and continuing until the earlier of the reopening of District schools or the end of the 2019-2020 school year, the parties agree as follows with regard to payments:

a. Payments - Generally. Payments referenced below shall be made in accordance with the schedule outlined below. All payments contemplated in this Addendum are conditioned upon Contractor's express agreement to use such payments to support the aspects of Contractor's operations that will facilitate the smooth resumption of services to the District in future school years.

b. Fixed Costs. District will pay Contractor 63.5% of the agreed upon daily rate for normal (to and from school) school bus transportation services during the 2019-20 school year pursuant to the original Agreement, or \$970,000, whichever is less. Such payments shall be made no later than July 31, 2020.

c. No Other Payment. Contractor and District agree that District will not pay anything to Contractor relating to the 2019-2020 school year, except as is expressly set forth above.

d. Conditional Rebate Payment to District. The District requests that Contractor apply for any and all Federal, State & Local relief, tax credits, payments, other forms of governmental financial relief or private insurance payments, which may be available to the Contractor. If Contractor receives federal, state or local tax credits or payments, other forms of governmental financial relief or private insurance payments as a result of disruption to Contractor's business caused by the COVID-19 pandemic, Contractor shall, within thirty (30) days of receipt of the same, advise District of such amounts, and if such payments – along with all payments received from District for the 2019-2020 school year, including those made pursuant to this Addendum – result in Contractor receiving more for its planned services for District during the 2019-2020 school year beyond the amount Contractor would have received through the original Agreement if there had been no school closure, then Contractor and the District agree to meet and discuss and otherwise cooperate with one another in evaluating whether Contractor received any such extra amount and make an equitable reconciliation between the parties of any such extra amount. Failure to comply with the provisions of this paragraph shall constitute a material breach of the underlying Agreement between the parties.

5. Payments for 2020-2021 School Year. Notwithstanding anything to the contrary in the underlying Agreement between the parties, Customer agrees to make a payment to Contractor no later than July 31, 2020 representing 25% of the estimated total amount to be owed Contractor for the 2020-2021 school year for transportation between home and school, provided there is no notification by the Governor, Pennsylvania Department of Education, Pennsylvania Department of Health, or the District's Board of School Directors of a closure of school for in-person instruction on or before July 31, 2020. The remainder of the 2020-21 amount due to Contractor for transportation services between home and school shall be divided over the nine (9) month period, September, 2020 – May, 2021, and equal installment payments

shall be made by the 15th of each month. If the number of days for which transportation is actually provided during the 2020-2021 school year is less than 180, the parties will agree to, in good faith, meet and discuss potential changes to the Agreement, including the pricing set forth therein.

6. Credit to District for 2020-2021. In exchange for the advanced payment to Contractor by the District noted above and the other considerations contemplated in this Addendum, the District shall be entitled to a credit in the amount of 1.5% of the total amount paid to Contractor for all transportation services rendered between home and school during the 2020-21 school year. An estimated, proportionate amount of such credit shall be deducted from each payment made to Contractor for services rendered during the 2020-21 school year. Following the completion of the 2020-21 school year, a reconciliation between estimated and actual charges incurred by the District for all transportation services rendered between home and school during the 2020-21 school year by Contractor will be compiled for purposes of determining the actual, final amount of the 1.5% credit. The Contractor, or the District, as applicable, will make a final reconciliation payment to the other party to ensure accurate payment of such credit. Such payment shall be made by July 31, 2021, unless otherwise agreed to by the parties.

7. Notification to Contractor. District shall notify Contractor as soon as practicable of any decision to reopen District schools during the 2019-2020 school year or thereafter. For any period in which schools are reopened, services by Contractor and payments by District shall be pursuant to the original Agreement.

8. Assignment of Drivers. The Contractor understands and agrees that the payments as defined by this Addendum are to help Contractor retain and train its workforce and that the drivers currently assigned to service the District will not be reassigned to (except as requested by District or driver) other surrounding districts serviced by contractor for the start of the 2020-2021 school year.

9. Legal Compliance. The parties agree to abide by any state or federal law or regulation that addresses payment and/or recordkeeping concerning a school bus transportation services contract during the time period District schools are closed due to the COVID-19 pandemic.

10. Release. Provided that the District complies with its obligations outlined in this Addendum, Contractor hereby forever releases the District, including its respective officers, directors, agents and employees, from any further obligation(s) to provide payment or other monetary relief to Contractor for any period of time through the end of the 2019-2020 school year.

11. Dispute Resolution. Any dispute arising under this Addendum that the parties cannot resolve amicably through negotiations or (upon mutual consent) through mediation shall be resolved through the administrative or judicial processes of the Chester County Court of Common Pleas, the United States District Court, Eastern District of Pennsylvania, or relevant agency with jurisdiction in its location closest to Chester County, Pennsylvania, with both parties agreeing to waive any trial by jury.

Each signatory to this Addendum warrants that they are duly authorized to execute this Addendum and to bind the respective party to these terms. This Addendum may be executed in one or more counterparts.

1. Acknowledgement of Factors. District and Contractor acknowledge and agree that the following factors (among others) have prompted their mutual interest to enter into this Addendum:

a. The original Agreement includes terms under which Contractor is to provide safe and reliable school bus transportation services to District resident students as contemplated by the Pennsylvania Public School Code (the “School Code”) throughout the entire 2019-2020 school year.

b. The Governor of Pennsylvania declared a statewide disaster emergency arising from the COVID-19 pandemic, resulting in a state-mandated closure of all K-12 schools from March 13, 2020 through the end of the 2019-2020 school year.

c. The federal and state legislatures have enacted emergency legislation intended to address various concerns arising out of the COVID-19 pandemic, including measures intended to (i) allow public schools discretion to continue paying school bus transportation contractors to the extent practicable during the COVID-19 school closure, particularly with regard to contractors’ personnel and fixed costs, and (ii) provide certain financial assistance to private businesses, including school bus transportation contractors, to encourage continued employment of their personnel in order to avoid layoffs during the COVID-19 pandemic. Such legislation includes Pennsylvania Senate Bill 751 (now Act 13 of 2020) and the federal CARES Act.

d. In evaluating the extent to which District, in its discretion, is willing to continue certain payments to Contractor during the COVID-19 school closure, District has considered not only its own financial circumstances, but also the need to ensure the availability of safe and reliable school bus transportation services for its students after school reopens and into the future.

2. Original Agreement. The previously executed original Agreement shall remain in full force and effect except to the extent modified as expressly set forth herein.

3. Contractor Financial Information to Remain Confidential. Any financial information disclosed by Contractor to District pursuant to this Addendum shall not be disclosed publicly by the District unless required by law.

4. Payments. During the period District schools are closed by the Governor or by the District’s Board of School Directors as a result of the COVID-19 pandemic, starting March

13, 2020, and continuing until the earlier of the reopening of District schools or June 10, 2020, the parties agree as follows with regard to payments:

a. Payments - Generally. Payments referenced below shall be made in accordance with the schedule outlined below. All payments contemplated in this Addendum are conditioned upon Contractor's express agreement to use such payments to support the aspects of Contractor's operations that will facilitate the smooth resumption of services to the District in future school years.

b. Burdened Labor Costs. District will pay 28.9% of Contractor's burdened labor costs necessary for the time period subsequent to March 13, 2020 until June 10, 2020 for what would have been Contractor's planned services to District under the original Agreement, or \$69,400, whichever is less, if schools were open to students, upon weekly presentation of documentation satisfactory to District that (i) Contractor has actually incurred such burdened labor costs, and (ii) Contractor's complement level of personnel necessary for its normal planned services to District is at or above the level on March 13, 2020. Contractor shall not receive payment for any personnel during any period of layoff as a result of the COVID-19 school closure. Such payments shall be made no later than July 31, 2020.

c. Fixed Costs. District will pay 61.7% of the Contractor's fixed costs for the time period subsequent to March 13, 2020 until June 10, 2020, for normal (to and from school) school bus transportation services during the 2019-20 school year pursuant to the original Agreement, or \$496,800, whichever is less. Such payments shall be made no later than July 31, 2020.

d. No Other Payment. Contractor and District agree that District will not pay anything to Contractor relating to the 2019-2020 school year, except as is expressly set forth above.

e. Conditional Rebate Payment to District. If Contractor receives federal, state or local tax credits or payments, other forms of governmental financial relief or private insurance payments as a result of disruption to Contractor's business caused by the COVID-19 pandemic, Contractor shall, within thirty (30) days of receipt of the same, advise District of such amounts, and if such payments which are forgiven and do not convert to a loan – along with all payments received from District for the 2019-2020 school year, including those made pursuant to this Addendum – result in Contractor receiving more for its planned services for District during the 2019-2020 school year beyond the amount Contractor would have received through the original Agreement if there had been no school closure, then Contractor shall provide a monetary rebate to District of 100% of such extra amount. Contractor agrees to cooperate with District in evaluating whether Contractor received any such extra amount, including providing District copies of financial records reasonably necessary to perform such evaluation. Failure of Contractor to comply with the provisions of this paragraph shall constitute a material breach of the underlying Agreement between the parties by Contractor.

5. Notification to Contractor. District shall notify Contractor as soon as practicable of any decision to reopen District schools during the 2019-2020 school year or thereafter. For

any period in which schools are reopened, services by Contractor and payments by District shall be pursuant to the original Agreement.

6. Assignment of Drivers. The Contractor understands and agrees that the payments as defined by this Addendum are to help Contractor retain and train its workforce and that the drivers currently assigned to service the District will not be reassigned to (except as requested by District or driver) other surrounding districts serviced by contractor for the start of the 2020-2021 school year.

7. Legal Compliance. The parties agree to abide by any state or federal law or regulation that addresses payment and/or recordkeeping concerning a school bus transportation services contract during the time period District schools are closed due to the COVID-19 pandemic.

8. Release. Provided that the District complies with its obligations outlined in this Addendum, Contractor hereby forever releases the District, including its respective officers, directors, agents and employees, from any further obligation(s) to provide payment or other monetary relief to Contractor for any period of time through the end of the 2019-2020 school year.

9. Dispute Resolution. Any dispute arising under this Addendum that the parties cannot resolve amicably through negotiations or (upon mutual consent) through mediation shall be resolved through the administrative or judicial processes of the Chester County Court of Common Pleas, the United States District Court, Eastern District of Pennsylvania, or relevant agency with jurisdiction in its location closest to Chester County, Pennsylvania, with both parties agreeing to waive any trial by jury.

Each signatory to this Addendum warrants that they are duly authorized to execute this Addendum and to bind the respective party to these terms. This Addendum may be executed in one or more counterparts.
