AGENDA

I. Call to Order and Pledge to the Flag

II. Comments and/or Questions from Community Members

Citizens are invited to address the Board at this time. The public comment period is reserved for residents and taxpayers. Additionally, the Board will accept comments from sitting public officials for non-campaigning purposes and, by agreement with the TEEA, the Board will accept comments from the union president. The Board requests that each public comment made during this first opportunity be limited to items on the agenda. A five minute time period is allowed for individual comments, including acknowledgement or answer from the Board or staff when applicable. If it is determined that there is a large number of individuals who wish to comment on a particular topic, at the discretion of the presiding officer, the individual comment time may be reduced from five minutes to three minutes. All comments will be directed to the Board as a whole or to the presiding officer. No comments or questions shall be directed to individual Board members. If there is a large number of comments on a priority discussion topic during the first comment period, comments on that topic may be suspended until the priority discussion public comment period. Additional time is provided following any Priority Discussion/Action presentation and again at the end of the meeting for public comment on other topics. All public comments and responses must be in the spirit of civil public discourse. The Board thanks the public in advance for its cooperation.
