Other Activities:

Reflex Math - <https://www.reflexmath.com/>

Fact Memory - Make fact cards, one set with the answers and the other with the fact sentence . Turn them over and use your memory to match sentences with answers.

Multiplication War- played like regular War. Using a deck of cards each player puts down 1 card and the first to multiply the 2 correctly wins the cards. Face cards and Aces can be given any value.

Multiplication Bingo- Like bingo, except you read facts and put markers on the answers to get bingo.

Flash cards/ Use Music and Rhymes
and so much more.....
