

Researching

Possible **KEYWORDS** that I might use to research my PAL topic

Where will you **LOOK TO** learn more about these **KEYWORDS?**

During Pickles we used many different resources to find answers to our research questions. With PAL, you are **NOT** restricted to the classroom or Hillside's library.

Remember the sources you used for Home Fries!

Possible Resources for PAL:

During PAL you will have fewer sources than during pickles, but you will need to be more careful how you record them.

Provide the citation for the book you found to read.
