COLLEGE COURSES DURING HIGH SCHOOL

Students may elect to take college courses for credit and/or enrichment. Courses to be taken during the school day an/or for high school graduation credit must be approved, in advance, and a maximum of four of the credits required for graduation from Conestoga may be earned through this program. While Conestoga High School may, on occasion and where expressly stated in writing, grant Conestoga credit for student-elected college or university courses, such courses are taken at the expense of the students and their families and not the T/E School District. Therefore, the T/E School District is not responsible for any tuition or online charges for any such course. All costs and transportation associated with taking college courses during high school are the responsibility of the student and the parent(s)/guardian(s).
