

May 29, 2020

Dear Conestoga Families and Students,

Greetings from the Big C! As we wrap up the month of May and move into June, we inch closer to the close of the school year. This coming week we are excited to celebrate the Class of 2020 and their original graduation date, June 3rd. This week's updates include:

Underclass Academic Calendar for Remaining Weeks –

- **Week of June 1** – Wednesday, June 3rd is a full inservice day. No school for students.
- **Week of June 8** – The last instructional day for students remains June 10th, a half day in the morning.

ACT Cancellation – The ACT testing scheduled for June 13th at Conestoga has been cancelled in compliance with the governor's orders that all Pennsylvania schools remain closed during the "yellow" classification. We have contacted ACT and will communicate information about rescheduling once it is available.

Drop Off/Collection of Items –

- Freshman/Sophomores/Juniors- Please hold all textbooks, laptops, equipment, uniforms and school district property until the start of next school year. We will arrange a time at the start of the school year to facilitate drop off.
- Seniors – The senior drop off/pick up was completed this week. Any senior who missed their scheduled time will have one final opportunity on Monday, June 1st from 1pm - 3pm to pick up their cap & gown and drop off materials. This will be a drive-through drop off/pick up in the front of the building by the main entrance. Please come prepared with all items!

Medication Pick Up – Any medication left at the school is available for pick up:

- June 1st (last names A – L) from 8:30am – 1:30pm
- June 2nd (last name M – Z) from 8:30am – 1:30pm

Our nurses will be on site at the front entrance for parents to drive-through and pick up their child's remaining medication.

June 3rd Plans – We are pleased to announce a number of activities to commemorate our original graduation date!

- **Teacher Tribute Video** – We have compiled a teacher tribute video to the seniors which will be shared the morning of June 3rd via Schoology.
- **Stoga Senior Sendoff: The Big C-Ya!** – All seniors are invited for a final sendoff with a [drive through campus](#) on June 3rd from 12pm – 3pm. Here are the details:
 - Decorate your car! Wear your cap & gown! Show your spirit!
 - The sendoff starts at the bus circle entrance on Cassatt Road
 - Teachers and administrators will be on campus to cheer you on!
 - One car per family is permitted
 - No spectators allowed!
 - All students **MUST** remain in their vehicles in accordance with current guidelines

- Any senior needing assistance with transportation should contact their counselor
- **SURPRISE!!** – Weather permitting, we have a surprise planned for seniors and their families from 5pm – 7pm, the time our seniors would have processed onto Teamer Field. Be sure you look up in the sky from 5pm-7pm!
- **Reflections** – A virtual Reflections ceremony will air at 7pm on T/ETV and stream at <https://www.tesd.net/tety>. Come enjoy the talents and reflections of the senior class!

Senior Events – A reminder to check the link on the Conestoga homepage, [Conestoga Class of 2020](#), for the most updated information on our Senior Events.

Graduation – We continue to move forward with plans in hopes that we can hold a traditional graduation Tuesday, July 21st on Teamer Field. If your son/daughter will be leaving for college prior to that date and will not be able to participate, please email Pat Boyle at boylep@tesd.net to make arrangements for a diploma pick-up or presentation.

Again, a huge and heartfelt CONGRATULATIONS to Conestoga's Class of 2020! Your teachers and administrators look forward to seeing you all on Wednesday, June 3rd for the *Stoga Senior Sendoff: The Big C-Ya!* Have a great weekend.

'Stoga Proud, as always,

Amy A. Meisinger, Ph.D.
