

Transporting Musical Equipment and Other Large Items

Musical instruments, sports equipment, school projects and book bags must be able to fit on the student's lap or under the seat ahead of him/her without endangering the safety of other students. **No** item will be permitted to be in the aisle, behind the driver's seat, blocking any type of emergency exit or taking up any part of a seat designated for students.

If these items cannot be placed where described above, the student and/or this item will have to be transported to and from school by the parent when these items are needed. If these restrictions would prevent your child from taking part in music, sports or other activities, please contact your building principal to discuss possible solutions. Please contact the Transportation Department at (610) 240-1680 if you have any questions or concerns.
