

Tredyffrin/Easttown School District

Administration Office, West Valley Business Center
940 West Valley Road, Suite 1700, Wayne, PA 19087

May 2021

Dear Parents,

Your involvement and comments are valuable to us in determining the most effective ways to support your children as they develop their reading skills. There are many ways to get involved. You should always feel free to call your child's reading specialist or principal if you have questions or concerns about your child's experience in BRIDGE, Reading Support or the middle school courses.

As part of our commitment to developing that strong home-school connection, we have developed two documents that outline the ways in which we can partner to support your child's progress in the reading program. The School Compact and the Parent Involvement Policy were developed to clearly articulate the value we believe grows from a strong home-school partnership.

Each year, we ask our parents to review these documents to see if they accurately reflect the many ways that the parents and the school can work together to further the success of our students. Please take the time to read over each document and, should you have any suggestions for revision or improvement, feel free to share your thoughts with us. It is our goal to continue to build on the strong partnership that we already have and your input is invaluable in helping our program to best meet the needs of your children.

Thank you.
Sincerely,

Horace Rooney
