

Congratulations on your upcoming Conestoga High School reunion. This will be a fun weekend to catch up with old friends, learn what everyone is doing, and hopefully help a great cause.

As you celebrate the years since graduating from Conestoga High School, the Foundation for Learning In Tredyffrin/Easttown (FLITE) is celebrating its 10 year anniversary. Since its inception as a non-profit organization in 2006, FLITE has raised over \$1.5 million and provided academic help to Tredyffrin/Easttown students in need almost 7,000 times.

There are local families who are unable to provide services that many of us take for granted. FLITE helps to bridge this gap by funding the following academic programs:

- Early Childhood Education
- After School Homework Program
- Summer Academic Camps
- College Readiness Program
- Programs for Students Needing Computers, School Supplies, Musical Instruments and Home Internet Access

FLITE strives to ensure that *every T/E student, age preschool through high school* has the opportunities, support and academic tools they need to be successful in school. Without help these children could fall behind their peers.

As FLITE transitions into its next decade, the number of students needing FLITE services remains high and your support is critical. As you make plans to celebrate your reunion, please consider “paying in forward” with a CHS Class donation to FLITE. Your gift will help ensure that each student in the classroom today receives the opportunities you had and stands among their classmates at Conestoga’s commencement well prepared for the next phase of their life.

You may learn more about FLITE and its mission on our website at www.flite-pa.org. We invite you to reach out to us to discuss your class gift at development@flite-pa.org. Best wishes for a fun and well-attended reunion. Go ‘Stoga!
